

Salesian College  
SUNBURY

# Introduction

Salesian College Sunbury is an inclusive and welcoming Catholic Faith Community in the spirit of St John Bosco.

We take pride in our unique heritage and environment. We value engagement and excellence in learning for a life committed to making a difference in our world.

Our strong Catholic and Salesian ethos is manifest through signs and symbols, prayer, liturgy, and relationships both within the school and between the school and the community.

We have an ongoing commitment to ensuring Salesian College Sunbury remains a leader in education.

# Community

The circle represents our Community. It is safe and inclusive, welcoming to everyone in an atmosphere of joy and optimism. We join together as a community to learn, play and celebrate. The circle is a powerful symbol of unity in our Aboriginal heritage.
